

MY SPIRIT. MY SKI.

ORIGINAL+ is one of the newest Austrian ski manufacturers, based in Salzburg-Bergheim. We build custom skis – with the clear goal of turning every customer into a better skier.

Thanks to our intelligent configuration software ORIGO that calculates the ideal individual ski configuration from personal data, ORIGINAL+ skis are precisely adapted to the skier's build, skiing style and technique. They are one-of-a-kind products, manufactured in our state-of-the-art production facility in Salzburg-Bergheim, Austria. We sell exclusively ex-factory – direct-to-consumer – with unbeatable value for money. ORIGINAL stands for "in its own way, creative"; „+“ stands for the positive, your advantage, and a "plus" of individuality.

ORIGINAL+ was founded in 2018 and the head office in Salzburg is currently home to 10 employees. In June 2022, we will move to our new ski manufactory in Salzburg-Bergheim, where we continue to build skis at the highest technological level.

WE ARE CURRENTLY LOOKING FOR AN APPRENTICE AS E-COMMERCE SPECIALIST/TRADER (M/F/D) FOR OUR SALZBURG-BERGHEIM SITE

+ WHAT YOU GET

- + A modern, attractive, future-proof apprenticeship with digital pioneers
- + Versatile, individually tailored training program in an e-commerce environment (online store management, processing of customer orders, online customer service, complaints management, analysis and evaluation of search and purchasing behavior, participation in advertising and marketing campaigns, assistance in designing the website)
- + Insight into different departments such as purchasing, production, IT & marketing
- + Co-development of a young start-up & a common future
- + A small team with a friendly family atmosphere
- + Access to inexpensive winter & outdoor sporting goods and test material

+ YOUR PROFILE

- + Compulsory education or A-levels (Matura)
- + Commercial as well as technical interest & basic understanding (computer literacy)
- + Affinity for e-commerce, social media, and online trends
- + Accurate and responsible way of working
- + Motivation to learn & tackle new things
- + Team player

The minimum salary for this position is €721,- gross in year 1. The duration of the apprenticeship is 3 years, and entry is possible at any time.
